KU KLUX KLAN WILL BE SEEN ON GLENDALE STREETS

Men of Organization Are Said To Be Ardent Supporters of Law and Order and Not Enemies to Constituted Government—Americans Should Dominate

Silhouetted against the night, ghostly, hooded figures emerging from the unknown and black of mystic symbol of the fiery cross, will appear suddenly on the streets of Glendale and then as mysteriously as they appeared will be whisked away in the darkness.

Rumor has it that the initial appearance of the Ku Klux Klan here will be marked by some such ceremony to exemplify the undying spirit of Americanism that was born during Civil War reconstruction days, for it is declared by some that there is urgent need to preserve the integrity of our national ideals and this will be accomplished through the organization of white-clad knights of liberty.

Nothing definite is yet seen in the Ku Klux Klan organization in Glendale, but rumor persists that knights of the fiery cross who are affiliated with the chartered organization of the clan in Georgia, which is incorporated under the laws of the state and presided over by Imperial Wizard Simmonds, are secretly making selections of picked men who have proven themselves to be Americans of the highest caliber.

Contrary to existing notions, those who ride enshrouded with the white robe are not enemies of constituted government but are ardent supporters of the law and order, based on the belief that Caucasian, American stock should be the dominating power in the United States.

There need be no alarm, it is said, when the nights of the Klan appear in Glendale. There will be no terrorism but only a fixed, solemn purpose to uphold the highest ideals of Americanism, it is declared.

RADIUM WORTH $3000 IS LOST

(By International News Service)

COUNCIL BLUFFS, Ia., June 30.—After a day's search no trace has been found of radium worth $3000 which was lost in the office of a local surgeon. The radium was applied to the face of a patient with a bandage. When the bandage was removed the radium was gone. It is thought to have slipped out and dropped in the lavatory and is now in the sewer.

BOYS ARE ENJOYING ANNUAL OUTING IN SAN GABRIEL CANYON

Glowing reports are being received from boys in attendance at the first section of the county Y. M. C. A. encampment at Pine Flats, in the north fork of the San Gabriel canyon.

The program provides for something doing every waking minute. A baseball game between the leaders and a picked team, began a series of baseball and basketball contests. A two-day hiking trip to the top of the divide was followed two days later by a ten-mile jaunt to the top of Mt. Islip, and back by Crystal lake, in time for the regular afternoon dip. This trip took the boys past the historic landmarks of Indianhead Rock and Castle Rock.

These shorter rambles are muscle stretchers for the real trip of two days next Friday and Saturday, when blankets and grub packed on their backs, the boys will explore Rock Creek and the mysterious Devil's Punch Bowl.

Last Saturday a treasure hunt taxed the woodcraft and trail-finding ability of the participants. Sunday was spent in devotional services, quiet games and the presentation of Bible stories in pantomime, closing with an unusually interesting camp fire service participated in by a number of the boys.

Dr Clark is giving every boy a physical examination, and writes: "I never realized the opportunities for good that an outing like this affords."

The eats are unusual and enthusiastically pronounced "jake." One fellow was able to worm down only 11 pancakes last Friday morning. The wood-sawing contest immediately following breakfast counteracted any serious effects and provided wood for the rest of the camp.

The first section breaks camp next Tuesday, July 5, and will be followed by the second section, leaving Glendale, Montrose station, at 1 o'clock the same day. Only a few more registrations can be received. Boys or parents desiring information should see C. W. Ingledue or R. F. Kitterman.

LOCAL LODGE WILL ENTERTAIN MANY VISITING ELKS

For the 1700 Elks in Glendale Organization a Round of Pleasure Is in Store

While the local lodge No. 1289, B. P. O. E., has arranged for no Glendale Day in connection with the convention of the grand lodge of the Benevolent and Protective Order of Elks, to be held in Los Angeles week after next, it expects to entertain many visitors who will be in attendance on the convention, and also to participate in a creditable manner in the special features in the way of parades, etc., that will mark the gathering. The program for the grand lodge is therefore of interest to every one of the 1700 members enrolled on its roster.

It will begin Sunday morning, July 10, with the arrival of the grand lodge officers and detachments of delegates who will be escorted to official headquarters and to their hotels.

At 10 o'clock of the same morning, an automobile tour of motion picture studios in and around Los Angeles will be taken by visiting Elks and their ladies. At 2 p. m., in the Philharmonic auditorium, a sacred concert will be given by the glee club of Minneapolis Lodge No. 44.

During Monday, which is Redondo Beach Day, there will be a program of aquatic sports in that city, a dance in the evening, fireworks, etc., and in Los Angeles at 2:15, at the Philharmonic auditorium, the Minneapolis lodge will put on a minstrel show by professional talent and all Elks. At 8 p. m., that evening, also in Los Angeles, the official opening of the grand lodge will take place, to which the public is invited.

Tuesday morning at 10 o'clock there will be a session of the grand lodge, at which reports will be received, committees will be appointed and officers will be nominated.

It will also be Santa Monica Day. Visitors will be received at the Santa Monica Elks' club building at 11:30, and will be given an automobile ride through the city, the palisades, Santa Monica canyon, etc., and on their return will be entertained with a luncheon. There will be free tickets to all the amusement concessions and a dance in the evening.

Tuesday evening, the beautiful electrical parade of floats designed by artists of the motion picture studios, will provide a beautiful panorama on the streets of Los Angeles.

Wednesday at 10 a. m., the grand lodge will again meet and be addressed by officers and chairmen of committees. Announcement will be made of the election of officers who will be installed. The session will be followed by sight-seeing trips, and in the afternoon there will be an Elks' program at Exposition park, which will include contests by crack drill teams, and Elks' bands, and be followed by an old-fashioned Mexican barbecue.

Thursday at 10 a. m. will come the great floral parade containing entries from all parts of the country, especially Southern California, and in this the Glendale lodge will have an entry designed by Mr. Chobe. There will also be a grand massed band parade in which hundreds of musicians will participate.

As Thursday is also Long Beach Day, a fine program will be given there, which will include visits to the battleships anchored in the harbor. Fireworks and dancing will feature the evening's entertainment.

Friday, the closing day of the convention, will open with another beautiful floral and allegorical pageant, which will make the passage of downtown streets in Los Angeles at 10 a. m. This will also be the work of the motion picture studios and can be depended upon to be beautiful and original. In this the Glendale lodge will likewise be represented, as stated by Exalted Ruler Priest in his outline of convention events published a few days ago.

Friday is Alhambra Day, and as a unique diversion, the visiting Elks will be entertained with an aero circus at the Balloon School on the Lucky Baldwin ranch at Arcadia.

The big social event of the occasion, the annual grand ball, will take place Friday evening at the Ambassador hotel and will be a brilliant affair. This will close the special program features and for Elks who prolong their stay, as many will, there will be a chance to choose their own pleasures and enjoy what Southern California has to offer, in their own sweet way.

Tornado Does Stunts

(By International News Service)

GORDON, Neb., June 30.—A small tornado struck the Dave Gourley ranch south of there, destroying cattle sheds and small buildings. The twister first struck a small lake, lifted nearly all the water and deposited it on the ranch near the buildings. Ducks' and mud hens' eggs which were floating on the lake in great numbers were lifted and carried high into the air.

SUPT. R. D. WHITE WILL ATTEND DES MOINES SESSION OF EDUCATORS

Superintendent of Schools Richardson D. White, representing the Glendale City Teachers' club, will leave tomorrow for Des Moines, Ia., to attend the annual convention of the National Educational association in session from July 5 to 8.

A varied program, including committee reports, educational lectures by school superintendents and professors of education, and association business pertaining to educational plans for the coming year, will be a part of the daily schedule of activities. In addition to this, according to Mr. White, a number of prominent men outside the educational profession will be of prime interest as speakers. Included in this group are Vice-President Calvin Coolidge, Judge Ben B. Lindsey, of the Denver juvenile court; Charles A. Barker, representative of the International Rotary clubs, and Judge Horace M. Towner, United States representative from Iowa.

Following the adjournment of the convention, Superintendent White is planning to visit Chicago and St. Louis, here he was long connected with educational work. From St. Louis he will proceed to Cape Girardeau, Mo., where the state normal school, in which he was an instructor prior to moving to California, is located. In Kansas City Mr. White will visit with relatives, and then continue his journey to San Francisco by way of Denver and Salt Lake city. Before coming south from San Francisco to Los Angeles, Mr. White will spend a week with relatives on a ranch in the Santa Clara valley. In all, the trip will consume a month's time.

GOLDEN ANNIVERSARY OF COMRADE AND MRS. MILLIGAN

In Presence of Large Company They Pledge Their Troth for Another Half Century of Wedded Life—G. A. R. Hall Nicely Decorated for Occasion

The marriage ceremony when a man and woman pledge their troth, reverently and sincerely, is a spectacle beautiful and impressive in its solemn promises for the future, but more beautiful is the fulfillment of such a covenant when after 50 years of happy, successful married life the twain renew their vows. To the friends and relatives of Mr. and Mrs. R. L. Milligan of East Park avenue, this city, was given the privilege of witnessing such a scene last night at G. A. R. hall. That humble home of patriotic orders had been decked with flowers and flags for the occasion and all the members of the N. P. Banks Post and Corps were present to celebrate with Comrade Milligan and his good wife, the anniversary of their wedding 50 years ago in Kansas.

As gay and sprightly as half a century ago was the bride in her wedding gown of filmy white voile, with her arm bouquet of sunburst roses and ferns. Her cheeks were perhaps not as rosy, and her hair was a different color, but the lovelight in her eyes was just as bright. And the groom was a fit mate. Beyond the outward seeming there was a little suggestion of age in his manner and he seemed just as ready to joke and cut up monkey-shines with his grandchildren as he had been when he marched to war at the age of 17 and joined Company B of the Eighth Iowa infantry.

Attended by their son and daughter, T. T. Milligan and Mrs. O. M. Carpenter, and their grandchildren, Herbert and Grace Milligan, with their twin grand-daughters, Margaret and. Virginia Milligan strewing flowers in their pathway, the husband and wife faced their old friend, Chaplain C. R.

It was a very brilliant affair, attended by delegates from Northern California, Chicago, New York and other eastern cities. The Gilmans were the only representatives of Glendale. They report a very delightful evening.

HAPPILY WEDDED FOR 35 YEARS

It is not unfitting that in Glendale, which is a city of homes, wedding anniversaries should be popular celebrations. Guests of honor at a festivity of this kind Wednesday night were Mr. and Mrs. D. S. Gutherie, wedded 35 years ago in Kingwood, W. Va. The party occurred at the home of their son with whom they are living at 1843 Gardena avenue, where their daughter, Mrs. Gussie Ream was a guest, the immediate neighbors also coming in to congratulate the two who have proved that marriage is not a failure. The honorees have been residents of California for about four years and of Glendale for one year, but they expect to make it their home for some time to come as they are in love with the town. Their two other sons are in Chicago.

MISS POPPY LEAVES ON VISIT TO HOME OF GIRLHOOD

Miss Dorothy B. Poppy, a well beloved member of the teaching staff of Glendale high, left Wednesday afternoon for the east to revisit her girlhood home at Kendallville, Ind. The full itinerary of the summer tour she has planned includes Fort Wayne, Chicago, Minneapolis and St. Paul, Grand Forks, Minott, N. D., Spokane and Seattle, Wash., and Portland, Ore. She will be accompanied by her sister, Mrs. Retta A. Geedy of Los Angeles, and she expects to be back in Glendale by September 1.

CELEBRATE WEDDING ANNIVERSARY ON SUNDAY

Mr. and Mrs. Levert Goddard of Garfield avenue, this city, last Sunday celebrated their second wedding anniversary with a breakfast at which Mrs. Anna Goddard was a special guest. The feast was made the more attractive by floral decorations and dainty appointments of the table. Mr. Goddard belongs to the Glendale Post of the American Legion and is a member of its band. He served in the navy during the war and was one of the first to enlist.

Spencer Robinson

The big vote to the credit of Spencer Robinson in the returns of our municipal election is the best proof of the popularity of this big, genial man whose return to the legislative branch of our city government is so evidently desired. He has long been a resident and business man of Glendale and is one of its most loyal boosters. Besides his affiliations with the commercial interests of the city, he is linked with its less material but no less real interests as a patron of music and of all the agencies that develop a love for that gentle art. Long ago he was graduated from the professional stage which he honored as a vocalist, but he is no less interested in song and singers. He has shown ability as a councilman and can be depended upon to do the right thing as he sees it.

LARGE AMOUNT HAS BEEN SUBSCRIBED TOWARD CHURCH BUILDING FUND

At a conference last night at the Congregational church leaders of the various teams, active in the collection of funds to finance the building of a new church, made reports as to the progress of their work. It is estimated that close to $18,000 has already been subscribed.

Proposals in regard to further campaign activities were made and plans for the new edifice were presented by special committees who had been detailed to work on such matters.

Dr. Charles Calderwood states that if present plans are carried out the old church building, located at Wilson street and Central avenue, will be moved to permit the erection of the new structure. It is estimated that the cost will be below $60,000.

GREAT INTEREST SHOWN BY ELKS

The manner in which organizations dovetail into each other is noticeable in a small community and it is well illustrated in Glendale by the band of the Glendale Post, American Legion. Nearly all of these esteemed musicians are members of B. P. O. E., No. 1289, and as both are patriotic organizations, the Elks feel a big brother interest in this newly organized body of musicians and a pride in the fine appearance they make in their new, trim uniforms. Their leader is R. D. Crawford of the Elks' orchestra and that in itself is a strong link. The American Legion band can safely count on the backing of the Elks of Glendale whenever they need help.

FOREIGN MISSIONS SOCIETY TO MEET

Rev. W. P. Edmonds had the pleasure of offidiating yesterday afternoon at the wedding of Alice C. Sanders and Addison Davenport, both of Los Angeles, who called at the manse to enlist his services. Only immediate relatives and friends of bride and groom were present.

VAUDEVILLE SHOW IS ENJOYED BY BIG AUDIENCE

The excellent audience which gathered at the Pearl Keller hall last evening to enjoy the first performance of the Seventh Annual Children's Society Vaudeville, by pupils of the Keller school, testified to the general interest in the work of the talented children who participated.

Of the many beautiful spectacles put on by the head of this fine school in years past, none excelled in quality, in variety and interest the program of last night in which the stage was occupied by pupils ranging from tall girls in their teens to tiny tots whose sometimes faltering childish treble, and occasional bewilderment in the midst of intricate dances endeared them the more to the appreciative audience composed largely of parents.

It was all wonderful, and the work of the more advanced pupils showed a finish and beauty not often rivalled on the professional stage. The costuming was especially beautiful, greatly enhancing the artistic effect of the performance, and the music provided by the two pianos with Mrs. Wright and Mrs. Hagood at the keyboards, was inspiring to dancers and audience alike.

The program tonight will be equally fine with some of outstanding numbers of last night repeated, and in tomorrow's issue a more detailed account of this delightful vaudeville will be given.

TAFT APPOINTED TO UNITED STATES SUPREME BENCH

(By International News Service)

WASHINGTON, D. C., June 30.—President Harding formally announced at the White House late today that he had selected former President William Howard Taft to be the new chief justice of the United States supreme court, succeeding the late Edward Douglas White. The nomination of Mr. Taft was sent to the senate late today.

ANNEXATION VOTE BEING TAKEN TODAY

Voting on the question of annexation with Glendale is in progress today in the Pacific district, which lies west of Casa Verdugo, extending to the Grand View section. It is reported that sentiment in this district is very favorable to the annexation project and persons who have been active in the campaign to carry the election state that a favorable vote is sure to be cast.

In addition to being enlarged with the annexation of the Pacific district Glendale may acquire the Viola district, that section lying west of Central avenue and extending to the present city limits. The Viola district will hold on election to decide upon annexation on July 14.

GLENDALE PRESS IS ENDEAVORING TO PROMOTE CITY'S INTERESTS

The citizens of Glendale realize that The Daily Press is back of every movement for the good of the city, and always ready to do its utmost to promote the city's welfare and maintain its reputation for doing things right.

It was perfectly natural, therefore, for the Glendale Christian Endeavor convention committee to turn to the Daily Press for assistance when it seemed for a while that it was not going to be possible to obtain a sufficient number of lodging places for the delegates.

"We may have to use cots," one of the committee members told a Press representative. "But where can we get them? We know you'll help us if you can. Can you?"

"We'll try," was the reply. Then T. D. Watson, business manager of the Press and captain of the Glendale National Guard, got busy.

He telephoned the National Guard headquarters and found they had no cots.

Then he telephoned the commanding officer of the Arcadia balloon school, who told him he had the cots but that they could not be loaned without authority from General Alvord at San Francisco. Captain Watson then tried Fort McArthur at San Pedro. They said the same thing.

Whereupon he sent the following telegram to General Alvord:

June 23, 1921.

Commanding General,
Headquarters 9th Corps Area,
San Francisco, Calif.

Request authority be granted commanding officer, Ross Field, Arcadia, to issue on memorandum receipt two hundred cots for use Christian Endeavor convention being held here. All available rooms in city taken. Please answer immediately collect.

THOS. D. WATSON,
Capt., Inf., C. N. G.

And the reply was:

San Francisco, June 24, 1921.

Capt. Thos. D. Watson, Calif. National Guards, Glendale.

Re telegram June 24th, regret law prohibits loaning of field equipment for purpose stated. You may apply to secretary of war if desired.

ALVORD.

Nothing daunted, Captain Watson wired the secretary of war as follows:

Glendale, June 24, 1921.

Secretary of War, Washington, D. C.

Christian Endeavor convention being held here. Sleeping accommodations exhausted. Request commanding officer, Ross Field, Arcadia, be authorized to loan me on memorandum receipt two hundred cots, General Alvord, San Francisco, granted permission to wire you. Please answer immediately.

To which the secretary of war replied:

CALIFORNIA COUNTY WITHOUT CHURCH WITHIN ITS BOUNDS

Voicing a plea that the Christian Endeavor delegates lend their support to the religious work that is being carried on through the "Rim of California," the Rev. Harry Rimmer, delegate from the north, speaking yesterday afternoon at the convention auditorium, declared that Alpine county has not a single church within its boundaries.

Quoting statistics, Mr. Rimmer showed that while the heart of California, that central section of the state lying north of San Francisco, is well equipped with churches, the border counties surrounding this area are almost barren of evangelical work. It was in reference to this "Rim of California" that Mr. Rimmer, seeking support that he may carry on his campaign there, asked that all help to send the "Rimmers around the Rim."

Mr. Rimmer proved a highly interesting speaker with his stories descriptive of the work he is carrying on in the northern counties. The general enthusiastic ovation he was given at the termination of his talk clearly indicated that the audience was in sympathy with the religious activities he is engaged in.

"Evangelism in San Quentin Prison" was the subject of the talk by Alfred S. Dingle, also a speaker at the Evangelistic Session. Mr. Dingle has been closely connected with religious work in San Quentin for a number of years and was able to offer first hand evidence in regard to the efficacy of evangelical activities among the convicts there.

Thanking the Christian Endeavor representatives for the cooperation they have extended in the past in religious work in San Quentin and in making the lives of the men there happier, Mr. Dingle urged that the Endeavorers continue their support and took occasion to read a letter of thanks written by convicts of the prison to the convention expressive of their appreciation.

The Evangelistic Session was presided over by Chester Rutledge who, speaking of the activities in that field durig the past year, pronounced the work as rich and wonderful. All credit, he said, was due to the Christian Endeavor societies for lending their undivided support to evangelical work.

Speaker Falls Asleep

(By International News Service)

LONDON, June 30.—The Sussex Daily News publishes a story of how the new Speaker was literally caught napping in his chair.

It was during a particular tedious part of a particularly tedious debate, so runs the malicious tale, that Lady Astor tipped up the steps to the Speaker's dais to have some private words with him; but on discovering at close range that Mr. Whitley was peacefully sleeping she withdrew on tiptoe with an air of maternal solicitude.

This story, if true, destroys a fond illusion. It has always been supposed that the one member of the House of Commons that never slept was Mr. Speaker—"among the faithless, faithful only he"—that, in fact, he was paid $20,000 per year free of income tax to keep awake.

Euclid's "elements" has been in use in schools and colleges for more than 2,000 years.

SABBATH OR THE LORD'S DAY, WHICH?

Digest of a Sermon Preached by Rev. Clifford A. Cole at Central Christian

Much confusion and wrong teaching has resulted from a failure to distinguish between the Law and the Gospel, between the Old and New Covenants in the Scriptures. Through this failure to "rightly divide the Word of truth" and because of the common use of the word "Sabbath" by most Christians when they refer to the Lord's Day, many find their minds open to all kinds of teachings.

The first use of the word "Sabbath" in the Bible is in Exodus 16:23, in connection with the giving of the manna from Heaven when to their evident surprise they were to gather a double portion on the sixth day for they were now commanded to keep a rest day, a Sabbath. Statements that the Sabbath was given earlier than this are merely assumptions so far as a thus saith the Lord is concerned. If it were an older institution, why in Exodus are they not reminded to renew their faithful observance of an ordinance they had neglected? The surprise of all concerned is assumption enough that they had not known of it before. How a law could have been in existence for 2500 years to observe the seventh day and yet no mention be made of it is not easily solved by those who think. Furthermore, no Gentiles were ever reproved for not keeping that day.

The "Sabbath" was a Jewish institution as is cited in Exodus 16:23; 31:13, 16, 17; Deuteronomy 4:8; 5:3, 15, etc. In the last reference it is specifically stated that it was not given to their fathers but to them, the people of Israel. It's a strange faith that will contradict Him by saying He did make the covenant with their fathers, and with all men for all time.

It was a part of the Law which was done away with the death of Jesus Christ, an argument fully sustained by Paul in many of his letters, specifically so stated in Gal. 3:19-4:10; 5:1, in Eph. 2:12-15; Col. 2:14-17, and elsewhere. Paul's only mention of the Sabbath is in reference to its abolition. With the ceasing of the Law written in ordinances and on tables of stone it was done away. Christ kept it and his apostles, being Jews and living under the law, but when He arose from the dead, the greatest event of history, there was established a new covenant which was probated on the day of Pentecost following and under which we live. He is made both Lord and Christ in his resurrection and in Him is all authority and fullness. The day when He ceased from His labors, arising from the tomb, is called in Scriptures the "Lord's Day," and it is that day the disciples afterwards kept. And not only does the New Testament prove this, but the early writings of the Church Fathers conclusively state the fact of this.

On the first day of the week, the Lord's Day, not the Sabbath day, they were to break bread, they brought their offerings as they were prospered. In Psalm 118 it is prophesied that Christ had become the "head stone of the corner," that His doings were marvelous and that He, the Lord, made a day in which we should rejoice and be glad. Knowing that the great new church would also be in prayer and worship on that day, John the Revelator assures them that he "was in the spirit on the Lord's Day." Rev. 1:10.

We should call this day the Lord's Day not the Sabbath. It is not the Sabbath. Gentiles were never instructed to keep the Sabbath. It is the glad resurrection day, the birthday of the church, the day after His resurrection when He especially met his disciples to convince them of His resurrection. it was the day on which the Holy Spirit descended, the day on which the remission of sins was first offered in the name of Christ, the day when "the law went forth from Zion and the word of the Lord from Jerusalem." If Christ be your lawgiver, serve Him, if Moses be your lawgiver, serve him. Do not be "entangled again with the yoke of bondage but stand fast in the liberty with which Christ has made you free."

THEATERS

Palace Grand

Buck Jones, the "sensation of the screen," presented by William Fox in cowboy drama, at the Palace Grand Theatre today, as the hero of "Firebrand Trevison," written by the noted Charles Alden Seltzer and adapted for the screen by Denison Clift.

The story is one of conspiracy aimed at both the property and the romance of a daring young westerner. It is packed with wholesome excitement, including stunts by the star which are marvelous in the perils they involve. The interest never lags for an instant, and the love theme is handled with great cleverness.

Winifred Westover makes a very winsome sweetheart, who is wooed and won in rather "cave man" fashion; and the strong cast includes also Stanton Heck, Katherine Van Buren, Joe Ray and Pat Harnman. Thomas Heffron directed the picture.

Glendale Theatre

Do you wish to blot out for a while the everyday facts of life, and tread a golden path of adventure—utterly forgetting the world and its cares in the thrills, the romance, the pathos, the humor and the breadth of wide spaces and strange lands from Zane Grey wonder-book, in a magnificent photoplay by Benjamin B. Hampton? Then drop in at the Glendale Theatre, and see "The Man of the Forest," the newest Hodkinson release, which opened there Tuesday.

The "Man of the Forest" is the latest photoplay of a Zane Grey novel, and it brings to life on the screen one of the author's latest and best-selling books. It is another powerful Benjamin B. Hampton-Zane Grey combinations of the past, "The U. P. Trail," "Riders of the Dawn," and "Desert Gold," which Hodkinson gave the theatre patrons of the world.

This is your last chance to see this wonderful nature story, one of Harold Lloyd's best comedies is also given. A good show and a great one.

IF KIDNEYS ACT BAD TAKE SALTS

Says Backache Is Sign You Have Been Eating Too Much Meat

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

One variety of cactus found in deserts always point to the south, thus forming a natural compass.

HONOR THE FLAG

The Glendale Daily Press struck a responsive chord in its offer of a beautiful bunting flag with each yearly subscription paid in advance. All we could procure at that time were speedily taken and many applied for the flags after the supply had been exhausted. To satisfy these demands we have ordered a new supply, and these will be given on the same terms as were the first. The Daily Press is not doing this as a money-making proposition, for the flags are quite costly and the paper is worth every cent asked for it, but we desire to do our bit toward stimulating patriotism and reverence for the flag. We hope to eventually see "Old Glory" displayed in every Glendale home, and we want to do our part toward bringing this about.

Fill out the coupon below and bring it or mail it to the office, accompanied with $5 for a year's advance subscription, and a flag will be laid away for you. If in arrears, pay to date and a year in advance to get the flag.

C. E. CONVENTION DEPLORES TREND OF MOVIE PICTURES

Takes Decided Stand Against Manufacture and Sale of Cigarets to Minors—Pledge Themselves to Work for Passage of Assembly Bill No. 489

H. H. Godber, chairman of the resolutions committee of the 34th annual convention of the California Christian Endeavor society, presented to the convention at last evening's meeting the following resolutions:

We, the California Christian Endeavor Union, appreciate to the fullest possible extent the courtesy and hospitality of the beautiful city of Glendale and wish to publicly thank the city officials and through them all the citizens of Glendale who have had any part in making our stay so pleasant. Especially do we want to say to our loyal ex-state president, Howard Brown, and his convention committee of Glendale district, that they have proven themselves masters of convention management and we thank them most heartily.

Against Manufacture of Cigarets

This convention and the State Union of Christian Endeavor desire to take a decided stand against the unlimited manufacture and sale of cigarets to minors and pledge our loyal support to the plans already under consideration by several of our leading Christian denominations.

Against Indecent Motion Pictures

We deplore the present trend of moving pictures throughout our state and nation and pledge ourselves to active protest against the immoral and indecent pictures shown on a large number of screens and promise to do all in our power to better the situation during the coming year, hoping we may have the cooperation of the Better Film organizations in each of our cities.

The press of Glendale and Los Angeles have given such splendid service and spread the news emanating from our convention so completely that we desire to speak words of appreciation and certainly want to express commendation for the almost universal clean sheets published by the press of Southern California.

To Aid Stricken Peoples

The conditions growing out of the world war have brought suffering to the peoples of the whole world, but especially is this true of Armenia, Persia and other parts of the near east, and we pledge ourselves as a Young People's Christian organization together with our alumni associations to assist in alleviating these conditions, and especially to assist the splendid organizations already organized to help these stricken peoples.

California Christian Endeavor is a composite organization made up of several denominations, all of whom agree on fundamentals of true Christianity—and we as Christian Endeavorers realize that in order to accomplish the greatest good, we must be loyal first, last and all the time to our denominational activities—also do we realize that Christian Endeavor as a mighty force in Christian warfare needs the loyalty of the denomination and we urge upon them constant cooperation with us.

Strongly Favor Assembly Bill 849

The eighteenth amendment to the constitution of the United States "binds all legislative bodies, courts, public officers and individuals," as the federal supreme court has unanimously decreed; and

WHEREAS, Opposition to the eighteenth amendment on the part of any state, or refusal to enforce this amendment, is an act of disloyalty, since the same greatest court of last resort in the world, our own supreme court of the United States, has also declared that the aim of the eighteenth (Prohibition) amendment is "to unite national and state administrative agencies in giving effect to the amendment and the legislation of congress enacted to make it completely operative," therefore

RESOLVED, That we, the 4000 registered members of the state convention of the 1100 Christian Endeavor societies of California, hereby pledge ourselves to work and vote for, and to try to induce all other qualified Californians to vote, for Assembly Bill 849, the Wright Act, "to enforce the provisions of article eighteen of the amendment to the constitution of the United States," it being our conviction that refusal to support such a state low is essentially rebellion against our country and disobedience to our Christ.

INTERNATIONAL C. E. CONVENTION PARTY

California Delegates Leave in Special Car Tomorrow From Los Angeles

Tomorrow morning at 8:15 a happy crowd starts on the Santa Fe for New York city, to attend the International convention of Christian Endeavor. They will go in a special car, and make stops at Chicago and Niagara Falls, spending an entire day at the latter place, and will arrive in New York on July 6.

In the company will be four people from Glendale, namely: Mrs. Fannie L. Brown, and Misses Ethel Preston, Nancy St. Clair and Elsie Wilson. Paul Brown of Los Angeles is another member of the party.

All but one of the party go for but one purpose, and that is to attend the great Christian Endeavor convention and meet representatives of this wonderful movement from practically all over the world. But that one, Mrs. Fannie L. Brown, while she will enjoy the convention, has another great pleasure in anticipation. On the 12th she will take passage on the Albania for England to spend a few months with her son, Walter, and family, who are living in London. Walter, as stated in yesterday's Daily Press, is at the head of the American Relief commission for feeding starving European children. Mrs. Brown will have for company on the voyage Tom Holden, who graduated this year from Occidental and who goes on the Albania to spend the summer with his people in North Ireland.

Significant Letters

Reese Martin, C. E.,—civil engineer or Christian Endeavorer, or both.

The convention just closed was one noted for its prominent speakers and proved to be one of the greatest ever held in California.

MISS MABEL GALEY DIRECTS PAGEANT PRESENTED AT CONVENTION

The need of leaders to build up Jnnior Christian Endeavor societies was exemplified in the form of a pageant under the title "Making Friends" and presented yesterday afternoon at the convention auditorium under the direction of Miss Mabel Gayley of Glendale, who is junior superintendent of Los Angeles county.

A hundred boys and girls, ranging between the ages of 9 and 12, adorned in blue and white colors, marched up the auditorium aisles at the commencement of the program and took seats on the platform. These were the little folks who had come to Glendale as delegates to the Junior Endeavor section.

Attired in black costumes, at the introduction of the pageant, a group of young ladies depicted the enemies of Junior Christian Endeavor activity. They are eventually persuaded to interest themselves in junior work and become leaders in the move through the urgent appeal of a little girl. The concluding tableaux shows the young ladies, formerly clad in black, attired in white garments and in this guise prove earnest workers in the Junior Endeavor.

Between the various tableaux of the pageant Josephine Rettburg of Glendale, sang, accompanied by Gertrude Heideman, also of Glendale, at the piano.

Four brief presentations, Prayer Meeting, Missionary, Recruit and Hospital, were made by Miss Una G. Pine, Mrs. Garner Searl, Dr. Grace H. Sharp and Miss Vera C. Wright, and the junior session adjourned with an expression of thanks from Rev. E. E. Herring, who spoke enthusiastically of the good work Juniors had done in brightening the lives of patients at the County hospital and urged that this work be continued.

GLENDALE HONORED BY STATE UNION

Glendale was honored by the California Christian Endeavor Union in more than one particular.

Two of the state officers, the treasurer, James Cooper, and the press superintendent, B. Irvin Valentine, are Glendale residents.

Mrs. Fannie Marple Retts was chosen months ago by executive committee as the convention singer, which was another honor for Glendale.

Apart from this important work which was assigned her, Mrs. Retts served as director of music for the local committee. Everyone attending the convention has praise for the fine work of the music committee. The Gounod anthem, "By Babylon's Wave" was so highly appreciated that in response to numerous requests the chorus repeated it on Tuesday evening. This is a matter of gratification to Robert S. Maile, director of the chorus, as well as to the music committee and to the members of the chorus themselves.

South African Visitors

Dr. Royal J. Dye and his energetic wife, founders of the great South African mission with headquarters at Bolengi, were visitors at the convention.

TESTS REVEAL GROSS IGNORANCE OF HOLY WRIT

Riverside Discovers Solution to Correct Indifference to Book of All Books

There is an interesting story connected with the float entered by the Riverside Christian Endeavor society in Tuesday evening's parade.

Test Revealed Ignorance

Some months ago a simple written Bible test was given to over 1000 school childrren in various parts of Riverside county. The answer to the questions revealed an ignorance so startling that the religious element of the community was moved to undertake a plan to correct this indifference to the Book of all books.

Remedy Suggested

When a plan for a regular, daily reading of the Scriptures was suggested it was warmly endorsed in the city and community. Both of the daily papers endorsed the plan by strong editorials, and freely opened their columns for its promotion.

Men of influence in all departments of public and private life very warmly commended the movement and wrote endorsements for publication. Two or three of these appeared each day in the papers together with an enrollment blank. Enrollmeht cards were also prepared and distributed to all the churches, and these when signed were returned to the Y. M. C. A.

Two courses were offered: one covering the entire Bible, the other consisting of the New Testament and the Psalms. The courses were outlined so as to offer a variety of reading. Each week's readings cover 15 chapters in the Old Testament, 5 in the New Testament and 3 Psalms. By reading three chapters a day for six days, and five on the day of worship, one can complete the entire Bible in a little less than a year.

The daily readings for each week appear in the Saturday Evening Press and the Sunday Morning Enterprise, together with a few suggestive comments. For the convenience of those who do not have access to either of the daily papers the weekly readings for the entire year are prepared in a little folder.

Christian Endeavor Active

The Christian Endeavor people took a very active interest in encouraging their fellow students to read the Bible through. One high school girl secured 50 enrollments among her class mates.

The Bible is a very popular book in Riverside county, and daily growing in interest and popularity.

The Riverside plan does not call for community reading, that is, a reading club. It calls for family group or individual reading—a fact that is beneficial in more ways than one, since it tends to bring back the wholesome, old-fashioned "home and fireside" influence; probably nothing has a stronger tendency to bind the family together than a family reading circle—except family prayer.

Wide Interest Evoked

News of the plan spread from friend to friend and inquiries concerning the plan have come from as far away as the New England states; undoubtedly the cooperation of the newspapers has done much to spread tidings of the movement afar, many residents send California papers to their friends and residents "back east," and many people in various parts of the United States are regular subscribers to California papers.

CONVENTION CLOSES WITH INSTALLING OF OFFICERS

Dr. Ira Landrith Gives Address of Admonition to All Young People—$10,000 Needed to Carry on Work of Coming Year Has Been Pledged

With Otis Ironmonger leading and James Garth and Keith Brooks as accompanists, another fine praise service was given at the closing session of the California Christian Endeavor convention last evening.

Prayer was offered by Rev. W. E. Edmonds, pastor of the First Presbyterian church. The Glendale committee who have accomplished so successfully the herculean task of entertaining nearly 4000 guests, with just half the time for preparation that a convention city usually has, were presented by Paul C. Brown and received an ovation.

A special feature of the musical program was the anthem, "Seek Ye the Lord" (Roberts): sung by the choir, with Harry Robinson of Glendale, soloist of the First Methodist church of Los Angeles, in the solo parts.

Other fine musical features were Shelley's "The King of Love My Shepherd Is," by a quartet and the large chorus, and the solo of the convention soloist, Mrs. Fannie Marple Retts, "I Gave My Life for Thee."

Installation of Officers

Dr. McAfee called the new state officers to the platform and introduced them one by one to the installing officer, Dr. Ira Landrith. They repeated together the solemn pledge: "Trusting in the Lord Jesus Christ for strength, I promise Him that I will strive to do what He would like to have me do as an officer of the California State Union of Christian Endeavor.

Dr. Landrith said that we are accustomed to respect men elected to high places in civic affairs; we do ourselves greater honor to honor and respect those who hold high positions in religious life.

The members of the Union repeated a solemn pledge to cooperate with their officers: "Trusting in the Lord Jesus Christ for strength, I promise Him that I will strive to do what He would like to have me do in cooperation with the officers of the State Union of Christian Endeavor."

New President's Greetings

The retiring president, B. I. Valentine, turned over to Reese Martin, the new president, his badge of office. Mr. Martin made a brief speech in which he expressed his gratitude for his colleagues' evidence of faith in him in electing him to the office, and asked their support in the year's work before him.

Mr. Valentine was presented by Dr. Landrith with the badge of the ex-president, "ex" the reverend gentleman explained, standing in this case for "expert, excellent, extraordinary."

Mr. Valentine made a speech in which he said his year as president of the Union had been the happiest of his life; he extolled highly the support given by Reese Martin, who was general secretary of the Union last year.

Advice to Endeavorers

Dr. Landrith gave the address of the evening. He admonished his young listeners that all character that is worth anything is made between the ages of 10 and 25; that what they will be as men and women depends on what they decide now to do with their lives.

Every man, he said, comes into the world a debtor to four generations. We are the heirs of 6000 years; we ought to be better than our fathers and mothers. We owe this to our parents, who give us the benefit of their experience besides making great sacrifices to give us advantages they did not have. "I know no sorrow," said the speaker, "compared to that of a disappointed father or mother."

Decries Silly Fashions

God's call leads upward; it is easily possible to make a living and lose a life. Dr. Landrith deplored and condemned the extreme fashions of the day; he pointed out that one might be shunned of "society," so-called, and yet have the company of the world's greatest minds of all the ages, as well as the supreme privilege of communing with Christ.

He admonished his young men hearers against the use of cigarets, impurity of thought, contempt of older people's advice, and the idea that making money is the thing to be desired above all else.

The closing words by Paul Brown brought many forward who had made the decision for a life of whole-time service of the Lord.

Money to Carry On Work

An appeal for various amounts of from $25 down to any smaller sum one wished to give raised the sum of $1000 needed to make up the $10,000 necessary for the year's work; $7800 had been raised at previous sessions and the remainder was obtained from other sources.

Mizpah

The singing of Mizpah closed the meeting, and the 34th annual convention of the California Christian Endeavor Union passed into history.

ALAMEDA COUNTY PEOPLE JUBILANT

The Alameda county delegation staged another demonstration last night when it was announced that Oakland had been chosen as the place of meeting for the 1922 convention.

Although the committee on state convention meeting gave no such hint in its report, it is rumored that Oakland might possibly have got the convention even without any other advantage favorable to winning out than its "Kazook" band.

Not that Oakland hasn't many advantages as a convention city; and not that the convention committee or anyone else likes the band with a name as euphonious as the sounds it produces—but rumor hath it that even without any other "advantage" Oakland would have got the convention—in the hope that this would satisfy the Alameda county contingent and keep them quiet.

If there's any foundation to this rumor, the state meeting committee missed its guess; for the "Kazook" band broke forth into even more raucous noise on the announcement of Oakland's honor, than ever before.

W. C. T. U. WILL HOLD MEETING FRIDAY

The subject of the day is "Temperance and Missions" and Rev. C. A. Cole will be the speaker.

GOOD GOVERNMENT LEAGUE HAPPY

Organizers of the Good Government League are very happy over the outcome of the municipal election on Tuesday and feel that the results justified in a most gratifying manner the campaign they conducted, which resulted in the placing in office of every candidate on their ticket, in spite of the fact that they were opposed by two rival factions.

WHO IS DOING IT?

It has been apparent all along that somebody has not been carrying his part of the readjustment load. Some have been lambasting the wholesaler and others have been holding up the retailer as the guilty man. Retailers have insisted that, as their continuance in business depends as much on their frequent turnovers of stock as upon their percentage of profit, they have vigorously denied responsibility. Now comes the federal department of justice to announce a program of attack upon the open price associations, which, it says, are the guilty concerns. These are organizations of dealers of all grades and are operated ostensibly within the law. The basic part of the method is for each member to confidentially inform other members of his price schedule, thus making competition impossible and high prices certain. Trade practices and gentlemen's agreements, it is well known, made for high prices before the war, and the charge of the department of justice that these are being utilized to keep prices high now can readily be believed. Financial experts say that in the long run such a policy is ruinous, not only to the country's general business, but eventually to the business of those who practice it. Somebody ought to tell those fellows about it. Prosecutions in a few cases might speedily end the practice.

COMBATING THE CRIMINAL

We have been disappointed. After closely watching our mail for some time we find therein no letters from indignant taxpayers protesting against the state spending money for a criminal identification bureau and an organization to combat crime. Can it be that the paper and lead pencil supply is short, or has the hair-trigger brigade found something the necessity of which is so apparent that they have no word of protest? We refer, of course, to those who go off half-cocked about taxation and protest about matters of which they have little information, not to those who have something constructive to offer. The money spent on organizing to secure better results in fighting modern criminals does not belong in the wasted category. No really intelligent man ever becomes a professional criminal, but there is an increasing number of cunning fellows, with a facility for planning and an ability to command the services of weaklings, who have sought to organize crime along the lines of piracy taught by certain lines of monopoly in business. We find most evidence of it in this section in the organizations for stealing automobiles and disposing of the stolen loot later. The loose organization of peace officers that we have maintained for so many years cannot obtain the quick results necessary to end these piracies. Hence the organization and employment of experts in hunting criminals and of keeping records. Wisely expended, this money ought to be a splendid investment and pay big dividends in property saved from spoilation.

This fund was recently raised by the Glendale teachers through a benefit performance, given at the Christian Endeavor auditorium, under the name of the "Deestrick Skule." The letter of thanks follows:

Wedding Party at Golden Wedding of Mr. and Mrs. R. L. Milligan

Golden Anniversary of Mr. and Mrs. Milligan

(Continued from page 1)

Norton to renew their marriage vows and incidentally their pledge to the flag, for the four attendants carried flags lifted high to form a canopy over the wedding party. Mrs. T. F. Milligan, daughter-in-law, played the wedding march, and furnished the accompaniment for Mrs. C. L. Peckhan, who sang very beautifully, "Love's Old Sweet Song."

At the conclusion of the marriage service Chaplain Norton addressed the bride and groom reminding them that their marriage in 1871 had been a union of the north and the south, for Mrs. Milligan was a daughter of the confederacy, and he thanked God they were able to pledge anew under the same beloved colors. Friends then gathered around Mr. and Mrs. Milligan to tender their congratulations.

No program had been arranged by the host and hostess, but their friends had other plans which were carried out to the great pleasure of all concerned. Mrs. Priscilla Houdyshel read an original poem on "1871 in Kansas and 1921 in Glendale," an original poem of congratulation by D. W. Thomas of Azusa was read, and Mrs. Mary Preston of Spokane entertained with readings.

At the psychological moment Mrs. Houdyshel, on behalf of Post and Corps presented the couple with a beautiful electric percolator and with it a message of love and esteem from the two organizations. This unexpected tribute added to the store of gifts which had been pouring in on the honorees, many of them taking the form of gold coins.

In due time wedding refreshments were served, the hostess being assisted by Mrs. Tiny Hammond, Mrs. Pearl Gillette and other ladies of the Corps.

All too soon the happy evening drew to a close. As the goodbyes were being spoken the groom was enticed into an automobile by Tom Curtis and before the dismayed spectators could offer a protest was whirled away from his bride, the machine speeding north along Brand boulevard to Broadway where it was finally intercepted and turned back. Meanwhile the bride had succumbed to the wiles of O. M. Carpenter who drove with his captive to San Fernando road where he too was stopped in a mad career of banditry, two run-away machines eventually bringing up at the home of the Milligans on East Park avenue with the principals of the day's celebration safe and sound, ready for another 50 years of wedlock here or in the life to come.

As already stated, the company was made up for the most part of members of the N. P. Banks Post and Corps, but there were also some special guests, chief among them being Mr. and Mrs. G. T. Fulkerson of Los Angeles, Mrs. Fulkerson having attended the wedding in Kansas 50 years ago.

Present to honor their parents were all the children of the celebrants except their son C. A. Milligan of Pittsburg, Tex., who was unable to come to California at this time. His brothers and sisters were there, however, the family group including T. F. Milligan of Spokane, Wash., his wife and three children: Mrs. O. M. Carpenter, O. L. Milligan, his wife and four children, and Mrs. I. N. Jensen of Kansas City, Mo. Other special guests were Mrs. Mary Preston of Spokane; Mr. and Mrs. John Lampton, Miss Ethel and Logan Lampton, L. E. Lampton, Mr. and Mrs. Eugene Amick, and Mr. and Mrs. French, all of Los Angeles; Mrs. Ona Roupe of Inglewood, Mrs. Emma Speer of Ocean Park, Mrs. Anna Bradley and sons Will and John from Kansas City, Mo.; Mr. and Mrs. Thomas and Dorothy and Wesley Sproule of Azusa.

That the principals in the celebration might have a souvenir of the occasion, a photograph of the bridal party was taken which is here reproduced.

MRS. CRAWFORD TO WELCOME FRIENDS

They will spend the summer at the beach but will be guests of the Crawfords for a few days until they decide where to locate. Mr. Dewar is a prominent confectioner of Bakersfield.

NOTICES

the Newly Elected MEMBERS of the COUNCIL of Glendale:

GREETINGS.

ow that the heat of battle is over l the people have decided that you e to serve as councilmen under e new Charter, we hasten to con atulate you and assure you that in carrying out of every good thing the city you shall have our heart t cooperation and support. We ize that very many important pro s are to be put through during r administration and the wise dling of these matters will require h deliberation and long hours of enuous work, even with all the as ance you can secure from your stituency.

Even after you have striven hardest to do the very best thing for all the people, you will be blamed and criticized for not doing more, or differently. Viewing your position from this angle we feel that we, ourselves, are the subjects for congratulation. However, we feel sure that you will devote yourselves to the task and the results will be worth all your labor.

We rejoice that we have all agreed that public pool rooms are a menace and undesirable, and since that matter (which really called our organization into being), has been definitely settled, we feel that our defeat is not altogether inglorious.

With a vision of a wonderful future for Glendale built up, and to be maintained under the motto: "A Clean City Kept Clean," we subscribe ourselves as former candidates of the Municipal League.

ANN P. BARTLETT,
CHAS. H. MUHLEMAN,
H. W. YARICK,
H. W. WALKER,
W. B. KIRK.

NOTICE

I take this means of thanking all those who voted for me in the recent election, and those who furnished automobiles and assisted in various other ways.

H. W. YARICK.

ANNOUNCEMENT
THANKS TO VOTERS

The Good Government League wishes to thank the voters of Glendale for their support of the principles upheld by the League—principles of personal and religious liberty as guaranteed under the Constitution; and for their evident approval and appreciation of clean political methods.

The League looks upon the election of its five candidates, against powerful opposition from two sides, as a clear demonstration of the merits and popularity of the principles it advocates, and the wisdom shown in the selection of its candidates.

The League feels that it has made a clean fight; that it has made good its intentions; and that from the fact that it has not stooped to the use of unfair, untruthful or slanderous methods in an effort to win, it has not only won a notable victory but it can now, in accordance with its original intertions, perpetuate itself as an organization.

GOOD GOVERNMENT LEAGUE.
By J. D. Hull, Sec.

Building Permits

Building permits issued in Glendale for the month of June soared well above the figures listed at the building permits department of the city hall for the corresponding month of 1920, which stood at $202,971, as compared with $285,461 for June this year. These figures represent the greatest June valuation of permits on record.

With the year's total of building permits for 1920 standing at $3,137,264, indications are that the present year will exceed that amount by a considerable margin, for to date, with but six months gone, the current year's figure has reached a mark of $1,946,899.

DR. HARROWER GOES EAST AGAIN

Dr. Henry R. Harrower of this city, who is getting to be quite a transcontinental traveler, leaves tonight for Philadelphia to investigate a flagrant infringement of the trade rights and trade-marks of the Harrower Laboratory, which a bold, bad resident of the City of Brotherly Love has had the temerity to try to put over. Had he ever met the doctor he would have known better and would have tried his little game on someone less able to defend himself and his rights than our popular and aggressive townsman. No one who knows Dr. Harrower, who has a strong case, easily proven, expects the infringer to stand up long after he faces the man he has been trying to cheat.

By wire the doctor has made arrangements to meet, in Washington, Senator Hiram Johnson and Congressman Lineberger for a conference regarding Glendale's postoffice.
